New Sermon Series: The Sermon on the Mount: Built on the Rock

Most of us are familiar with bits and pieces of the Sermon on the Mount. We have certainly heard, or at least heard of, the beatitudes. But what was the point of this longest sermon recorded by Jesus? John Stott has noted that the Sermon on the Mount is "probably the best known part of the teaching of Jesus, though arguably it is the least understood, and certainly it is the least obeyed." In our sermon series through the Sermon on the Mount, we will see that Jesus was giving a manifesto for how Christians are to live as citizens of heaven, while still being residents of a sinful world. But this is no easy task, and the sermon will challenge us to think differently about obedience. It will challenge us to think deeply about grace and law. And it will challenge us to think soberly about what it means to be a disciple.

Pastor's Note

2026 is going to be an amazing year for North Conway. God has certainly done some wondrous things in the church's relatively short history. However, our greatest days are in front of us. The staff and I have been encouraged over the past several months as we see God moving in our worship services and in the lives of our people through salvation, renewal, and restoration. It is our great prayer that you also perceive what the Lord is up to. It is our prayer that you will lean into God and allow the Holy Spirit to work in your own personal life. It is our prayer that 2026 will be the most fantastic year and that at the end of it, we will only be able to say, "Glory to God, He has done what only He could do." We ask you to join us in these prayers for the coming year.

-Pastor Jay
