Current Sermon

In our sermon series through the Sermon on the Mount, we will see that Jesus was giving a manifesto for how Christians are to live as citizens of heaven, while still being residents of a sinful world. But this is no easy task, and the sermons will challenge us to think differently about obedience. It will challenge us to think deeply about grace and law. And it will challenge us to think soberly about what it means to be a disciple.

2026 Church - Wide Focus The Great Pursuit - Longing for a Deeper Relationship With God

Too many Christians believe that their pursuit of God ends at salvation. But the truth is, that is only where it begins. Throughout our lives, we must thirst for a deeper and deeper relationship with God, like a deer pants for water. The desire for Him must become the sole focus of our lives, and we must refuse to accept any substitute. So this year, we will focus on how we can nurture a more intimate relationship with God—not just knowing about Him, but truly knowing Him.
