Upcoming Sermon Series: The Sermon on the Mount: Built on the Rock

Most of us are familiar with bits and pieces of the Sermon on the Mount. We have certainly heard, or at least heard of, the beatitudes. But what was the point of this longest sermon recorded by Jesus? John Stott has noted that the Sermon on the Mount is “probably the best known part of the teaching of Jesus, though arguably it is the least understood, and certainly it is the least obeyed.” In our sermon series through the Sermon on the Mount, we will see that Jesus was giving a manifesto for how Christians are to live as citizens of heaven, while still being residents of a sinful world. But this is no easy task, and the sermon will challenge us to think differently about obedience. It will challenge us to think deeply about grace and law. And it will challenge us to think soberly about what it means to be a disciple.

Lottie Moon Christmas Week of Prayer and Offering

Southern Baptists will observe a Week of Prayer for International Missions from November 30 to December 7. Will you join with others to pray for missionaries around the world who are faithfully sharing the gospel? Each year, Southern Baptist churches collect an offering to support these missionaries as they reach out to those who have never heard the gospel. Remember, 100% of your gifts to the Lottie Moon Christmas Offering go directly toward gospel transformation among the unreached. We will be collecting this offering throughout the month of December. You can find Lottie Moon offering envelopes in the church pews, and they are included with your weekly envelopes. Thank you for your support!

2025 Church-Wide Focus:
Koinonia - Building Authentic Community in the Body of Christ

This year, our focus will be on fellowship—not just casual gatherings for meals, but true biblical fellowship. This is where believers in Christ come together in love, faith, and encouragement. As described in the Book of Acts, koinonia played a vital role in the early church's rapid growth. The same power is available to us today. As we work towards building community this year, we pray that God will use our efforts to bless us profoundly.

Note From Bryce:

December is here! I pray your Thanksgiving was filled with special time with family and friends. I pray you spent time giving thanks and gratitude to the Lord for all of His blessings in your lives, His grace and His mercy. What an awesome God we serve!

If you are like me, this time of year can feel like a blur. Decorating, work parties, church parties, parades, multiple kids' Christmas musicals, family visits, tons of cooking, and cleaning, shopping, wrapping, opening, and more cleaning. It's a busy time. I'm sure many of you have traditions in your

family that are a part of your schedule that simply cannot be missed. I love a good Christmas tradition. As a small child, I vividly remember a Christmas Eve that my mom made the decision she wanted to cook up some French Fries for us to eat while we watched a Christmas movie that evening. Just fries, nothing else. It was so unique...I loved it! The next year, I asked for fries during our family movie time. That has evolved over time to now become a tradition of homemade hamburgers and French Fries on Christmas Eve as a family. It's the little things that make this time of year special. It's also the little things that pile up and simply make it hard to get everything squeezed in. Growing families, church responsibilities, and my own Santa Clause duties complicate such a simple and treasured tradition.

During this busy time, I am reminded of a lyric in Joy To The World..."Let Every Heart Prepare Him Room". That should convict us all! Are we preparing room for Christ in our lives this season? I am just coming off a Fall Retreat with the students where we focused on "Pausing" to spend time and grow in Christ...and what a difficult time to do just that! The prophets of the Old Testament, one after the other, big and small, gave warning to prepare room for the Messiah. Bethlehem certainly didn't get the message. Are you? My prayer for myself and for you this holiday season is that you are preparing room for Jesus. While this is such a sweet time on our calendars, let's not forget we are celebrating the coming of the King of Kings and Lord of Lords. The hope for all was born. The angels sang, the shepherds abandoned their post to witness it, the wisemen followed the star, and they were all changed after coming face to face with the sacrifice that would save the world. And today, we have been challenged to go to the mountaintop to tell the story of that grace. Unto YOU is born this day...a Savior, Christ the Lord. Emmanuel. Christ with Us. Amen!

Merry Christmas North Conway.
