The Great Pursuit: Longing for a Deeper Relationship with God

Too many Christians believe that their pursuit of God ends at salvation. But the truth is, that is only where it begins. Throughout our lives, we must thirst for a deeper and deeper relationship with God, like a deer pants for water. The desire for Him must become the sole focus of our lives, and we must refuse to accept any substitute. So this year, we will focus on how we can nurture a more intimate relationship with God—not just knowing about Him, but truly knowing Him.

2026 Church - Wide Focus The Great Pursuit - Longing for a Deeper Relationship With God

Too many Christians believe that their pursuit of God ends at salvation. But the truth is, that is only where it begins. Throughout our lives, we must thirst for a deeper and deeper relationship with God, like a deer pants for water. The desire for Him must become the sole focus of our lives, and we must refuse to accept any substitute. So this year, we will focus on how we can nurture a more intimate relationship with God—not just knowing about Him, but truly knowing Him.

To have found God and still to pursue Him is the soul's paradox of love.
